

Myth Lab

Monterey Bay

Monterey Peace and Justice Center

1364 Fremont Blvd, Seaside, CA

November 18, 2026

7:00 – 9:00 pm

\$5.00

Workshop participants can come with a memory, a question, a concern, or curiosity about the Ocean. We will build a new community myth together focused on the threat from offshore oil drilling. Here the community writes the myth and is the Hero. No writing or environmental experience is required.
